

Support Wheelchair Rugby

www.portlandponders.org

It is every person's desire to compete and succeed in life no matter what obstacles may challenge them along the way. Unfortunately, there are very few athletic opportunities for individuals in wheelchairs, especially for quadriplegics who have a higher level of physical dysfunction. The Portland Ponders provide the only opportunity for quadriplegics in the Portland area to compete in a team sport. Without the support of individuals and companies in the community, the members of the Portland Ponders Wheelchair Rugby Team would not be able to continue to meet the goals they have set for themselves.

What can you do? Please consider making a small donation to the team. All donations will go to team expenses such as equipment purchases, uniforms, transportation, accommodations and other costs involved in hosting and attending events like the "Great Northwest Wheelchair Rugby Invitational". Fill out the pledge card below and return it with your tax deductible donation today.

We thank you in advance for your support. The generosity of caring individuals like yourself enables wheelchair athletics to continue to grow and succeed.
